Once Upon a Time ..
There were three little fish ...

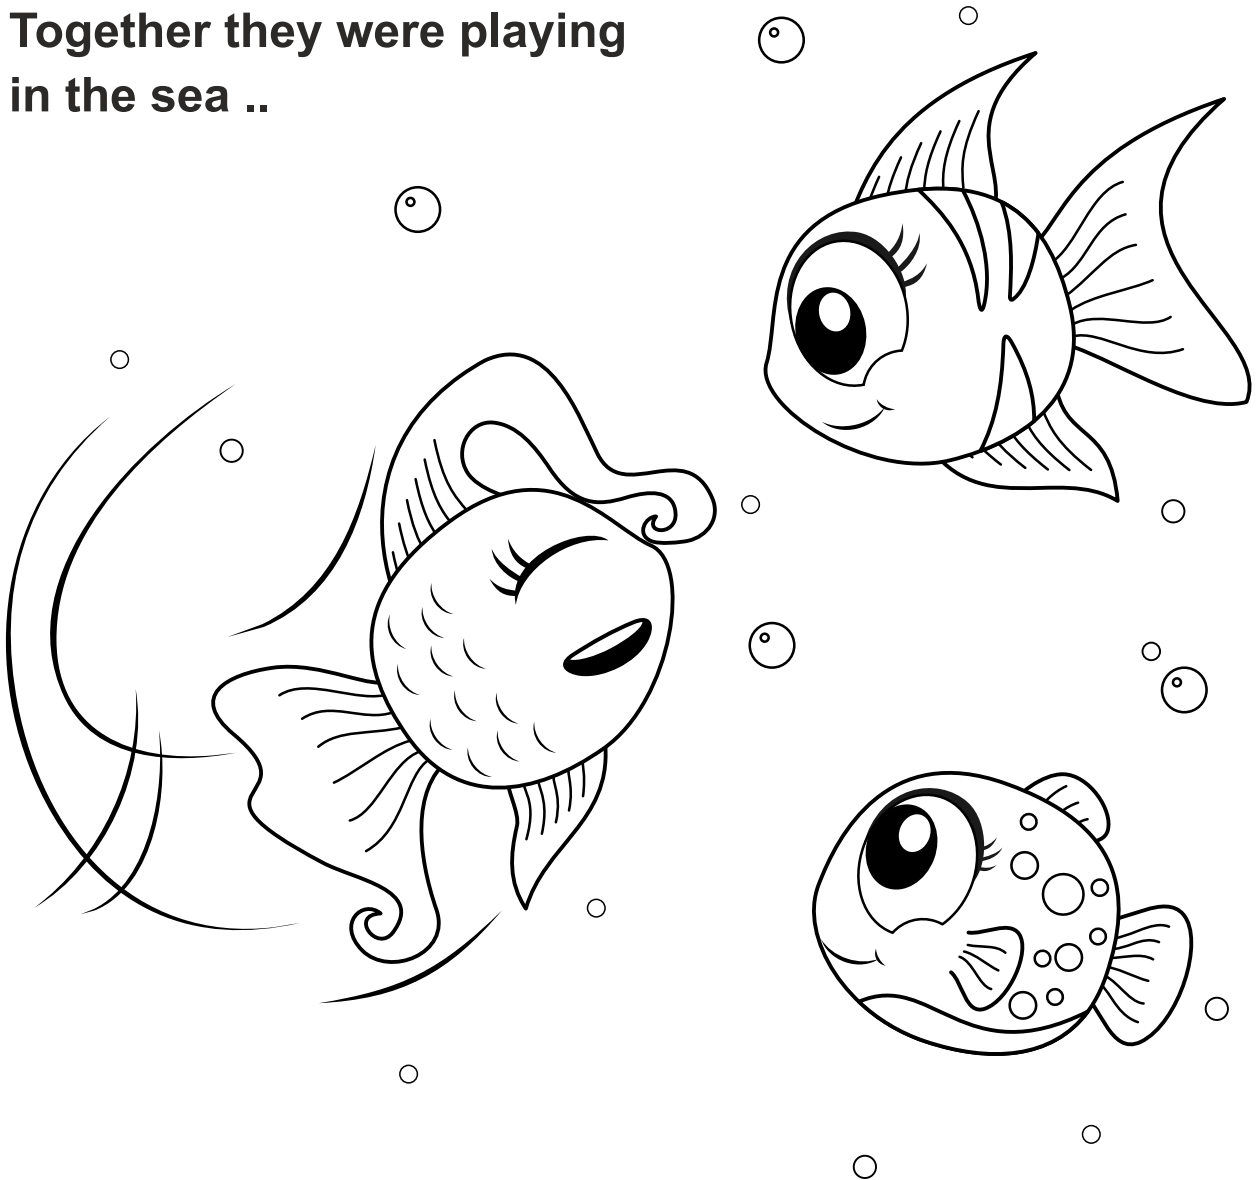

**A gold
fish,**

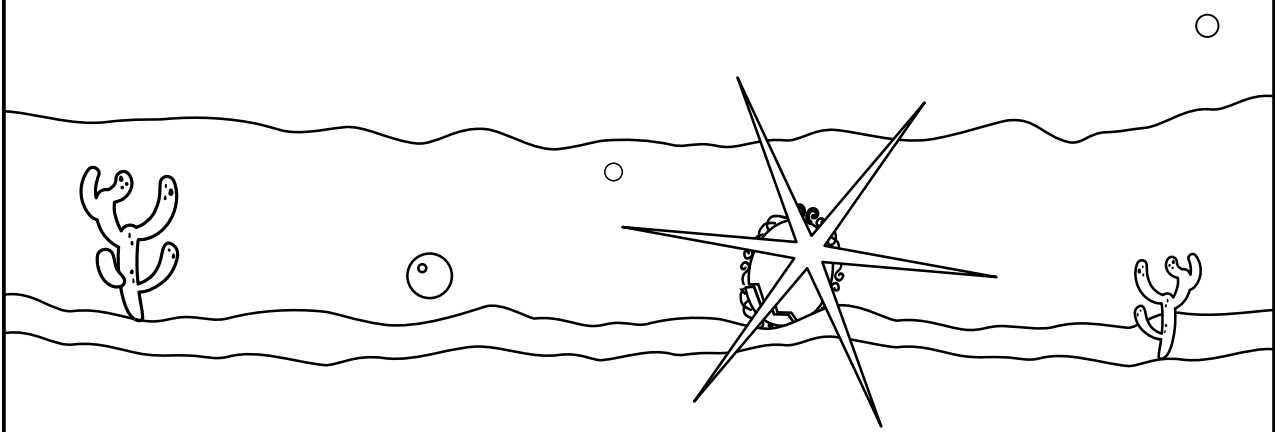

**a pink
fish,**

**and a
brown
fish**

**Together they were playing
in the sea ..**

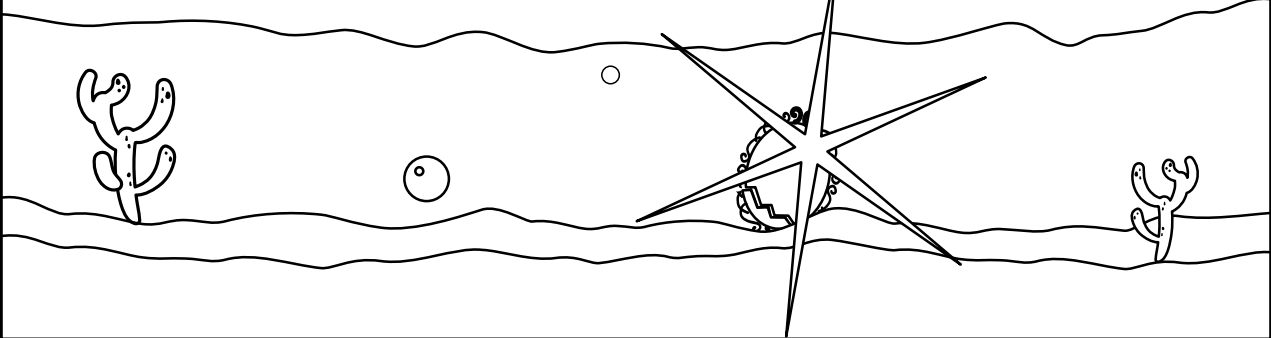

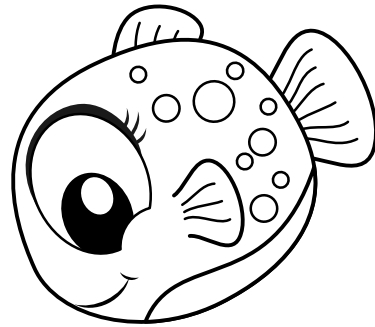

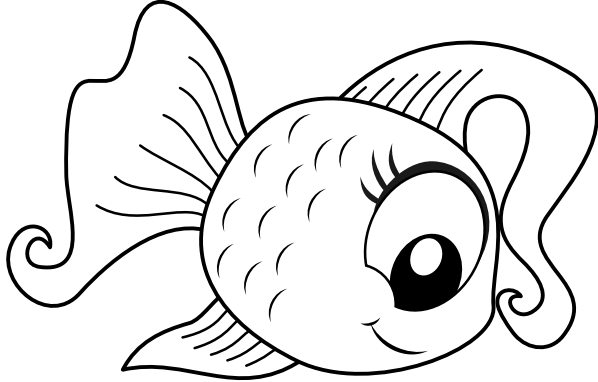

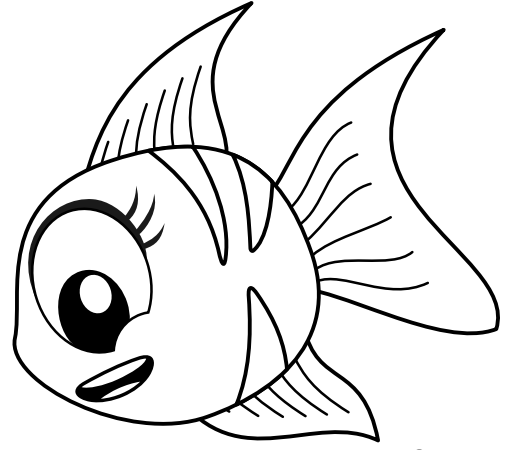

**Meanwhile, they found something shiny
on the sea floor .. ???!!!**

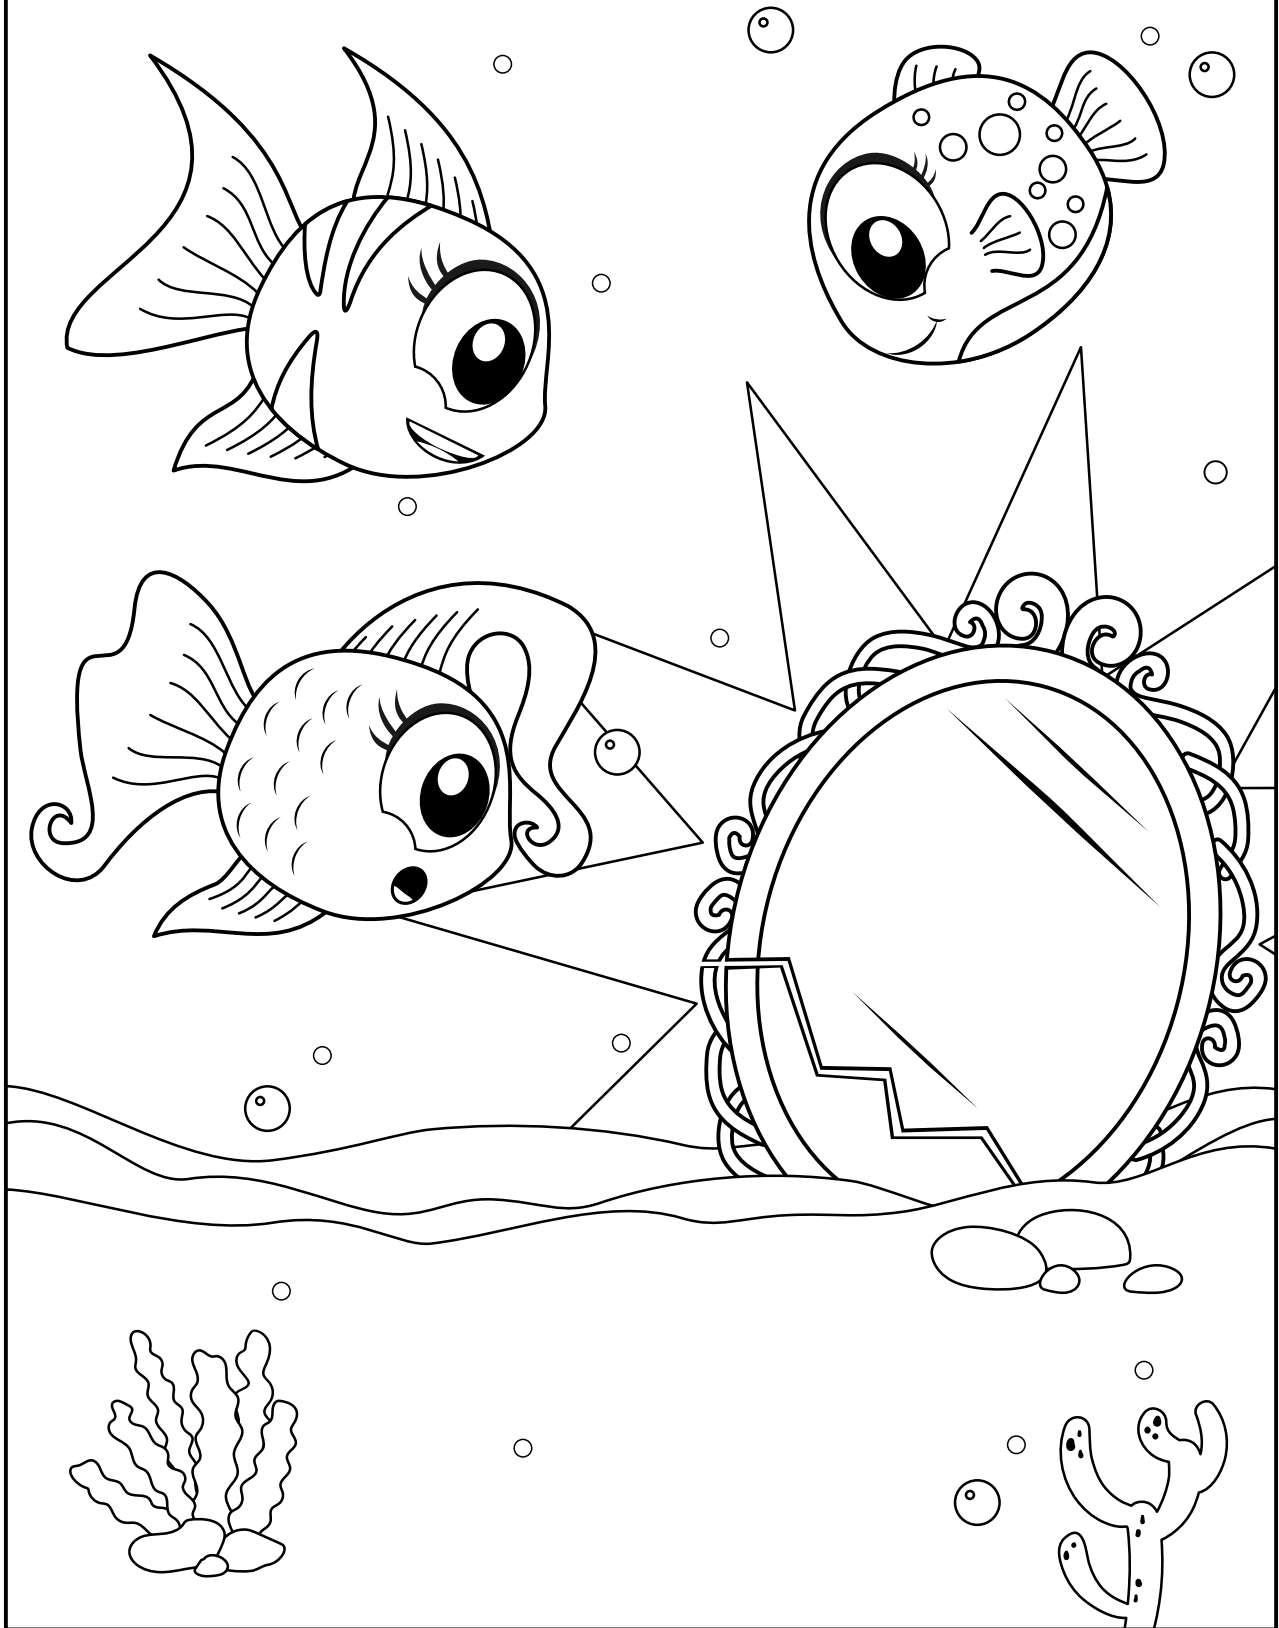

They looked at this thing,
and one of them said ..

Look there .. !!
Something shiny
on the sea floor .. ??
Let's see what that
thing is?!

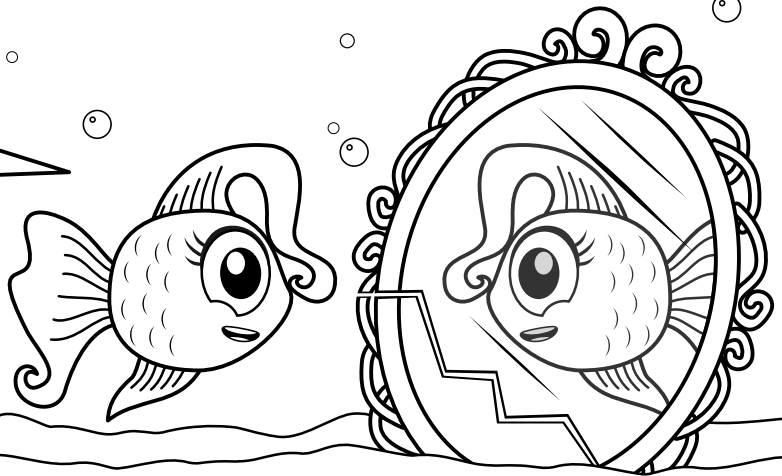

As they approached, they discovered that
it was an old broken mirror .. !!

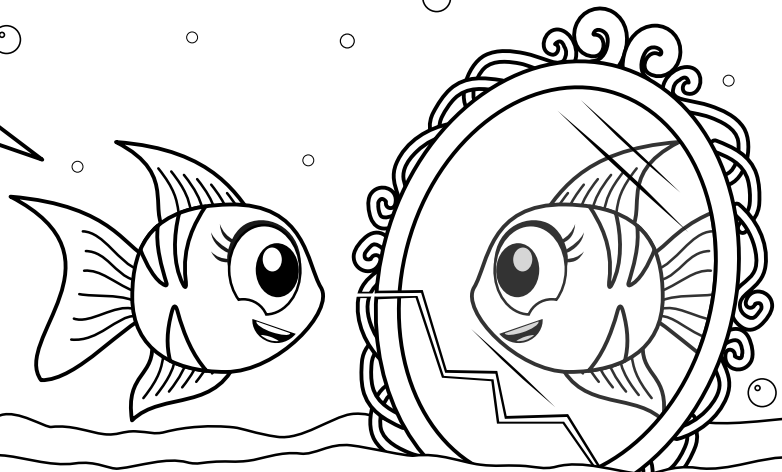

They looked at it and one of them said:

Look at me .. !!
I'm a special fish,
my color is pink,
and I have long
and beautiful fins.

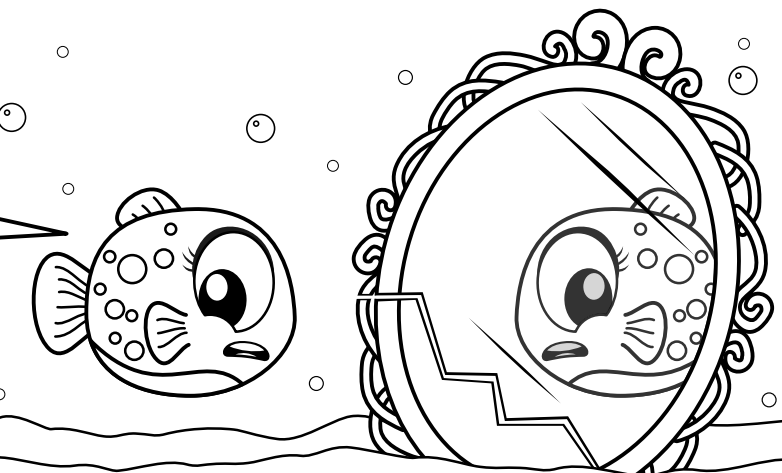

I'm also a special
fish, my gold
color is shiny and
beautiful ..

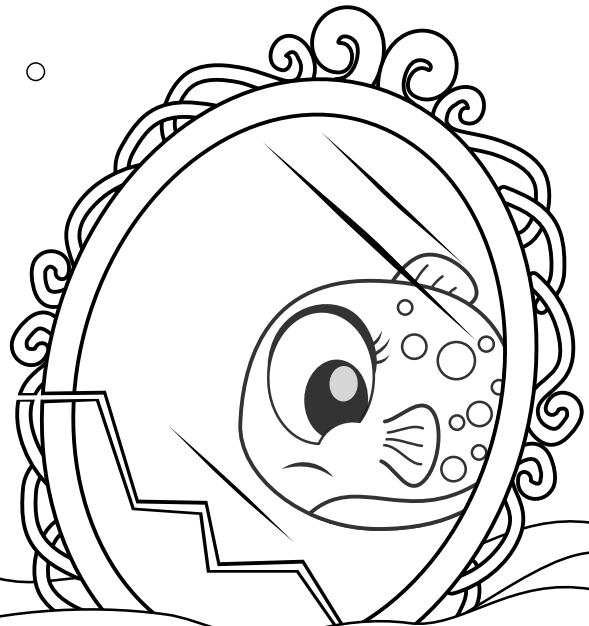

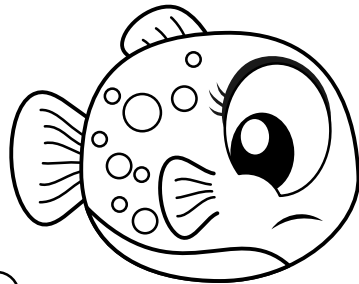

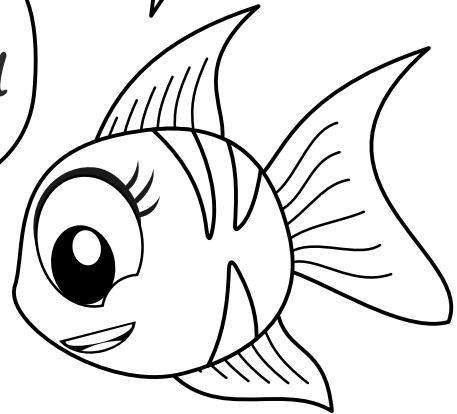

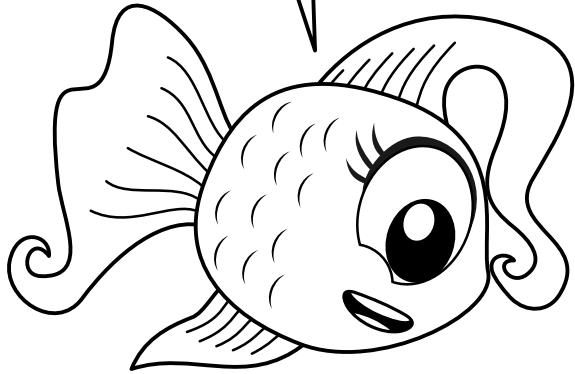

When the brown fish looked at herself in the mirror
she was sad and said:

I'm not a special
fish, my color is
not shiny, and
I have short
fins ..

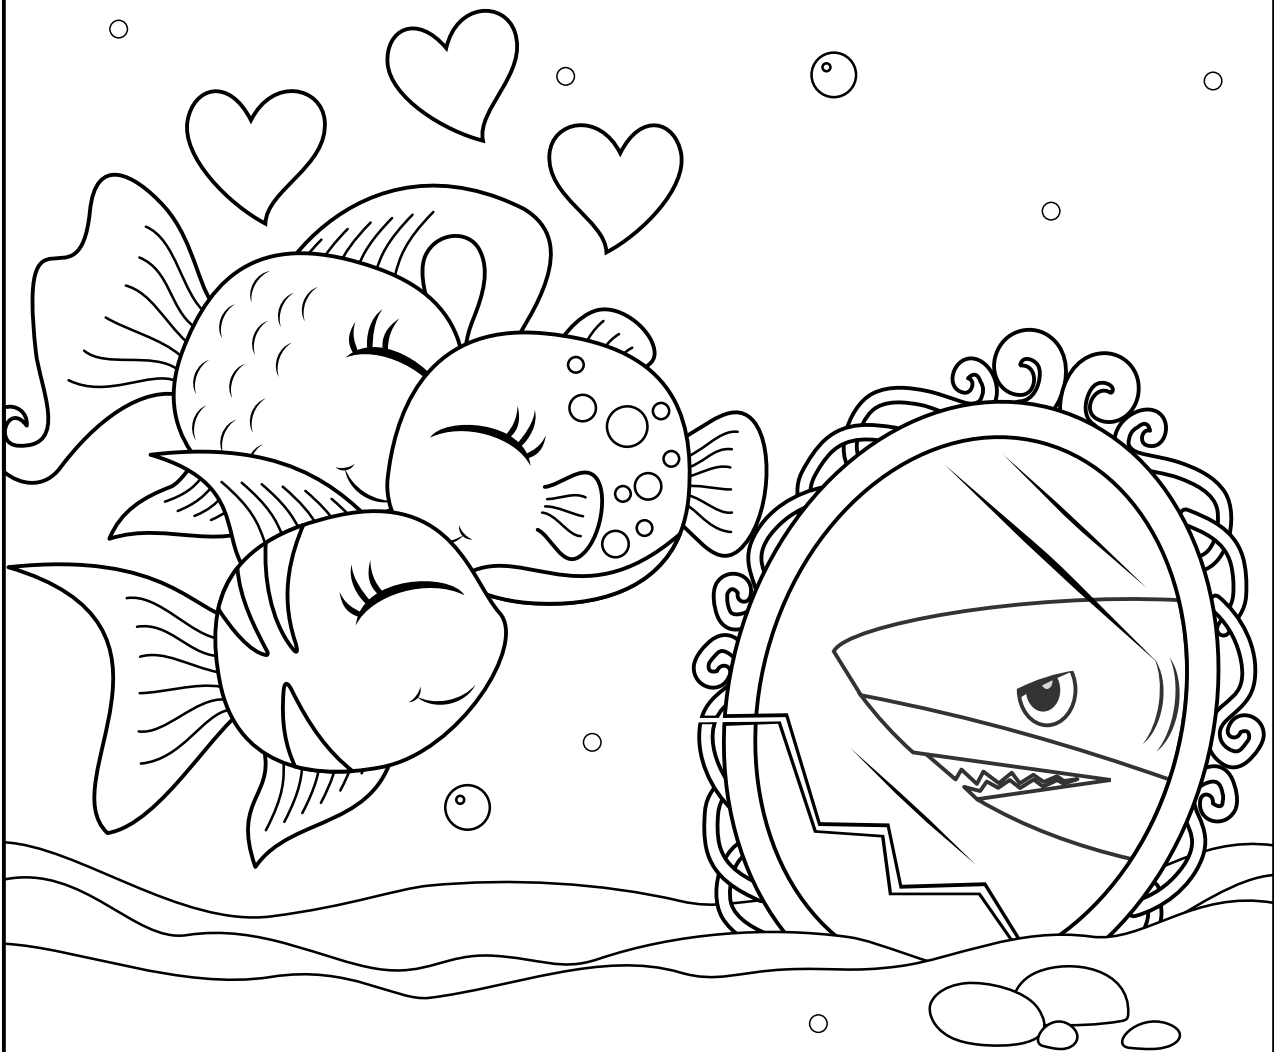

Do not say this .. We all have something that makes us special .. and you will find yours one day ..

You are a special fish for us .. You are our friend and we love you ..

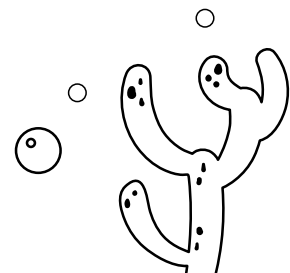

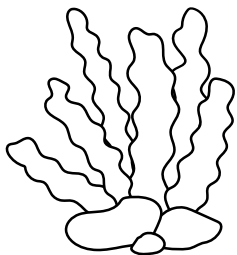

The brown fish was happy with the words of her friends and embraced them ..

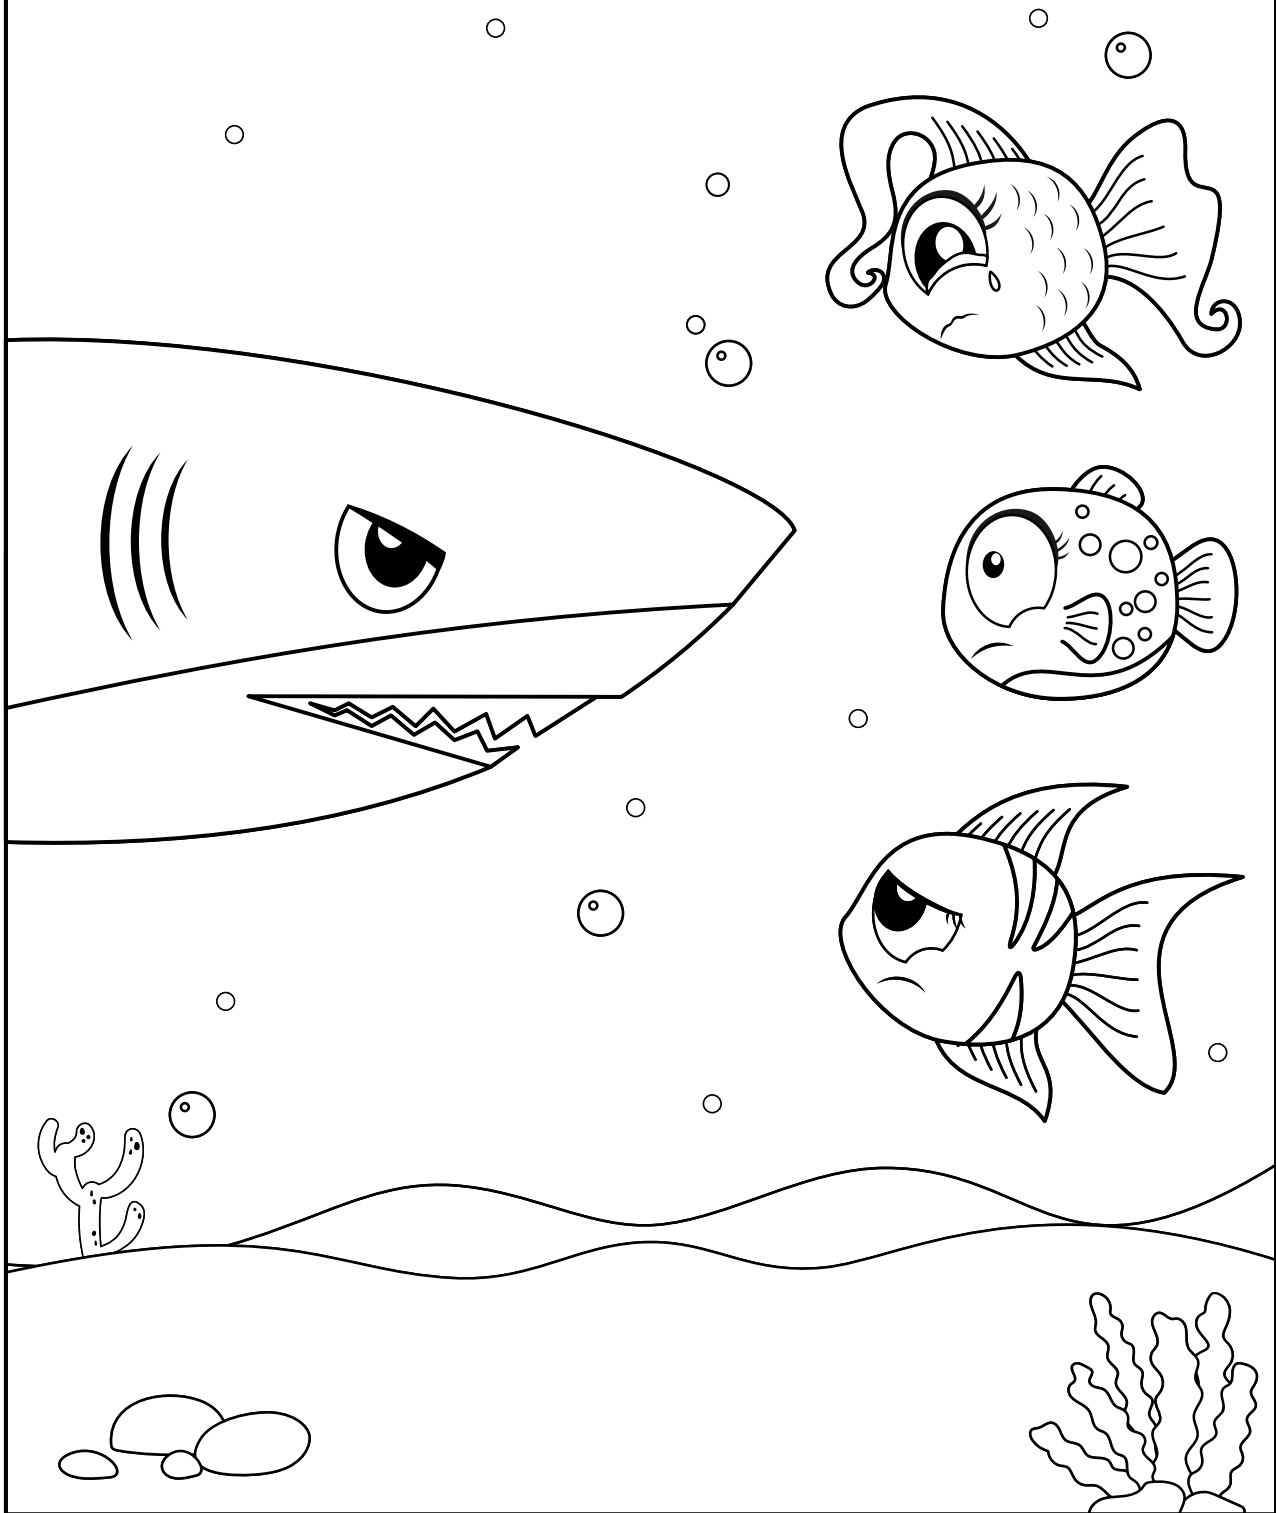

Suddenly .. !!!

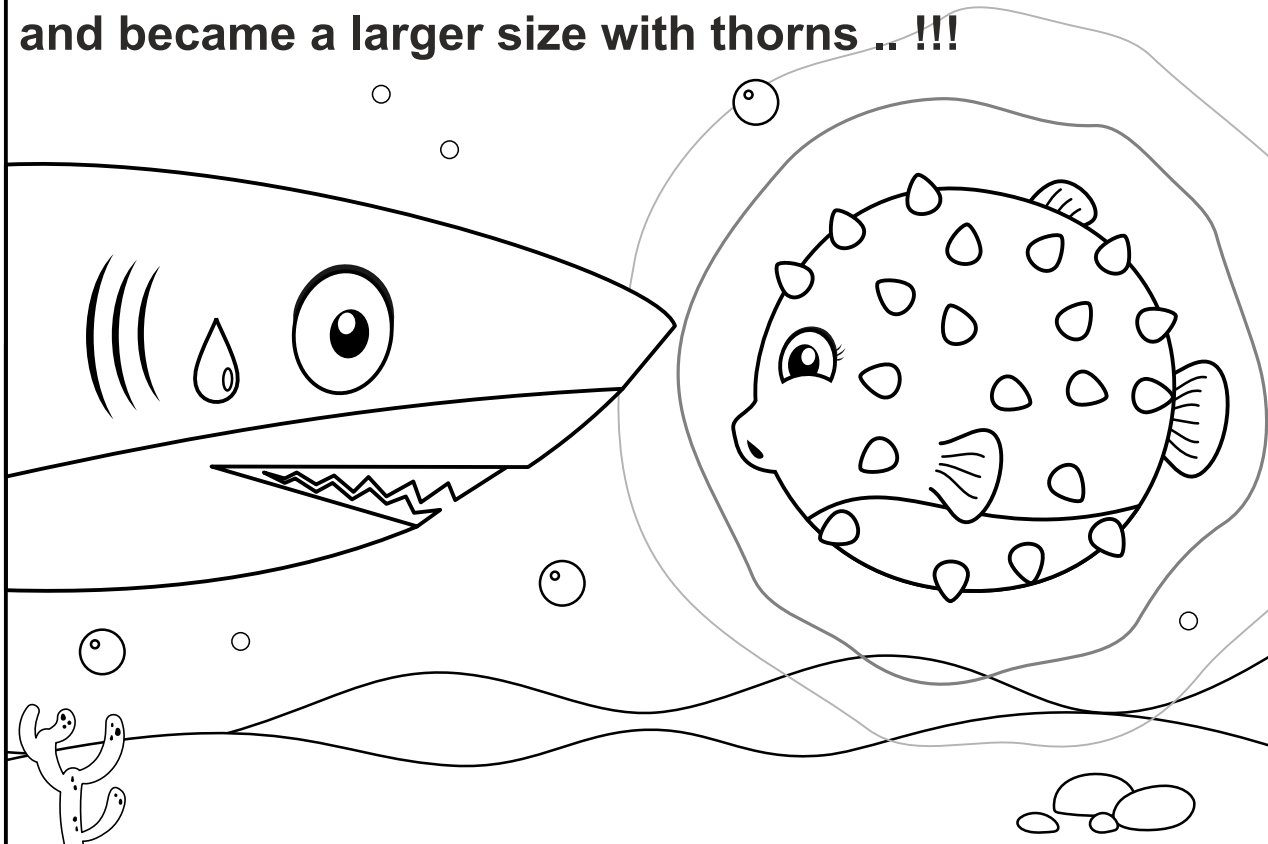

A reflection of a large shark appeared in the mirror ..!!

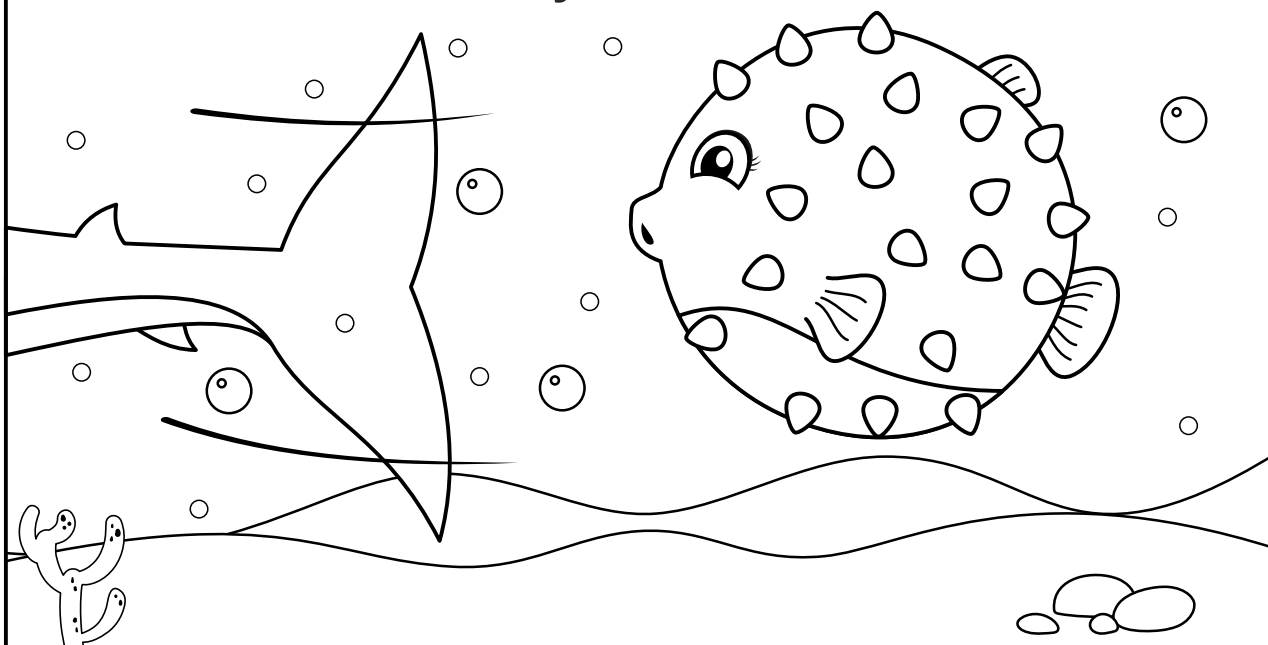

The shark was hungry and wanted to eat them ...
The three fish were very afraid,
and could not escape ... !!!

**The shark approached them more and more ..
Suddenly !!! .. The brown fish swelled out of its fear
and became a larger size with thorns .. !!!**

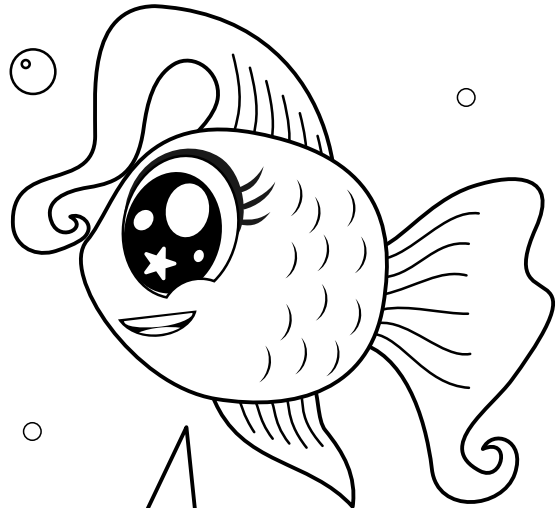

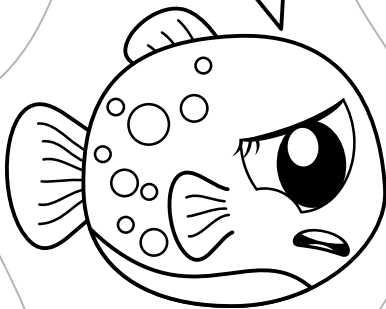

**The shark was scared, afraid of the new look of the
brown fish and ran away from them ..**

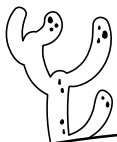

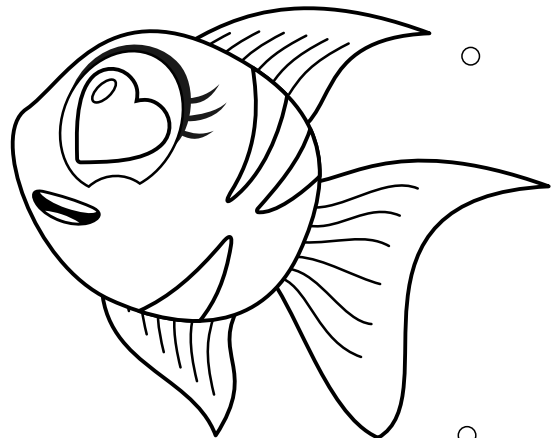

The brown fish calmed down and returned to its natural form and told her friends:

*I'm sorry I didn't mean to scare you ..
But it happens to me when I'm afraid
or nervous ..*

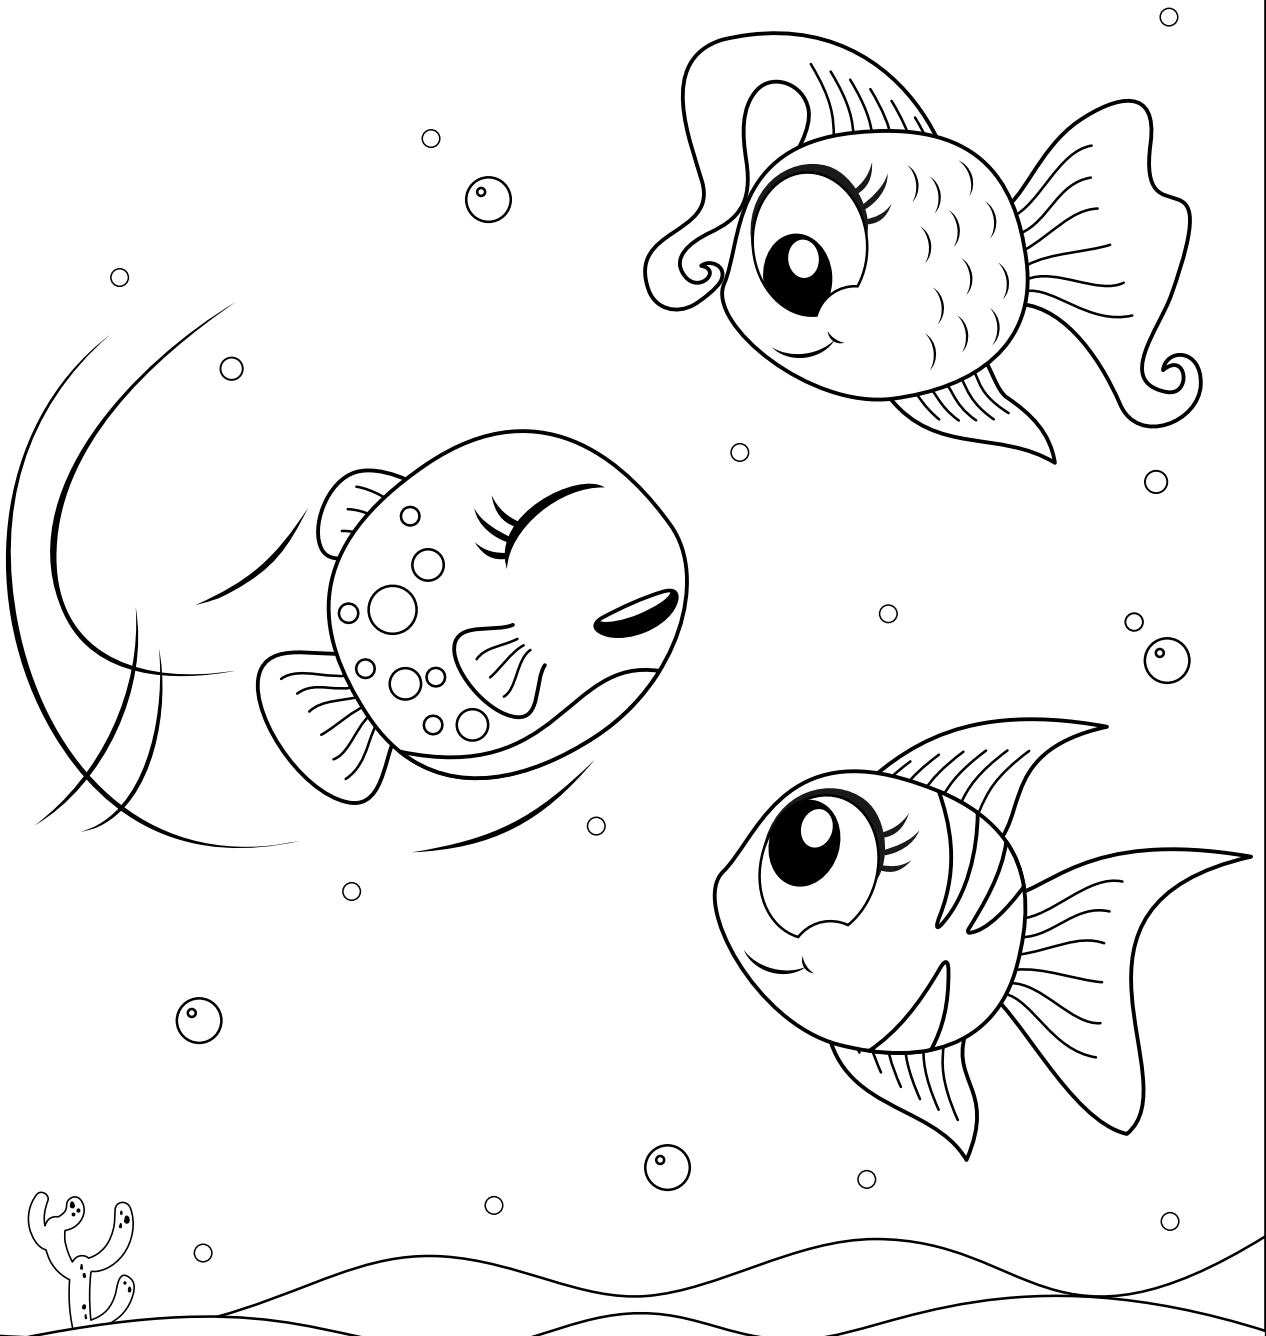

*Don't be sorry. You saved our lives.
You are really special*

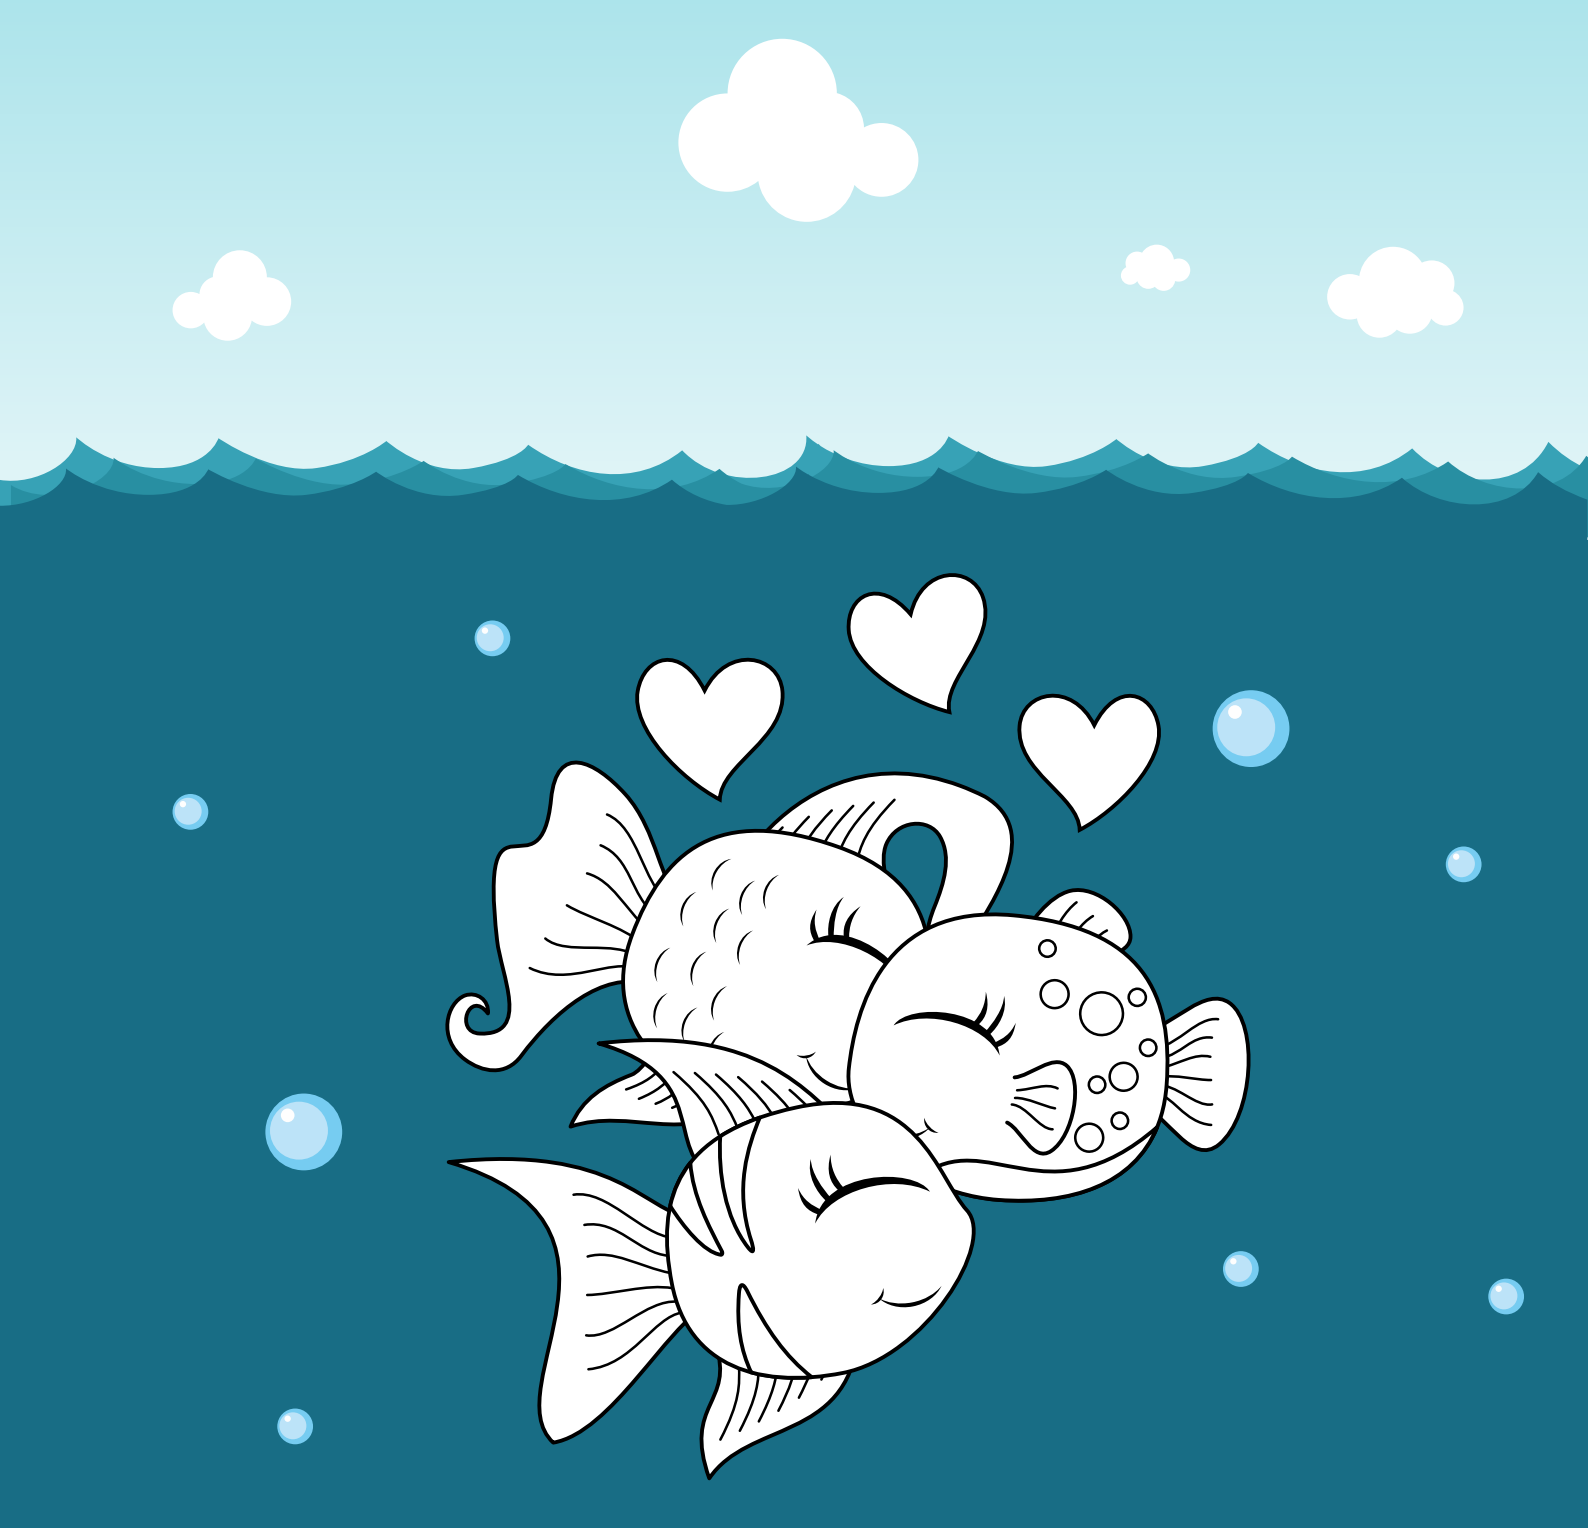

*Didn't I tell you
you're a special fish?
And you will find out*

The brown fish was happy because she was special and saved herself and her friends, and became proud of herself .. And so the three fish played together in the sea with all the happiness and fun ..

.. The End ..
